

Jimmy Robbins, Emotionless

Chorus

Emotion, emotionless

Faith is gone, but you need this

Empty, emptiness

You can see, but you're blind to this

Verse 1

Live everyday like it's your last

Time moves slow but seems to pass

You walk alone, fall from line

You don't see he's by your side

You help yourself to all you can

In a world of lies alone you stand

Pre chorus

And you don't hear, you don't hear his call

You don't feel, you don't feel at all

Chorus

Verse 2

You stumble and you fall down

Slowly pick yourself up from the ground

You find yourself there too much

You miss the feel of his touch

But you don't see it was never gone

He's been with you all along

Pre chorus
