

Jinger Just, Shallow Waters

I'm leaving, tommorow ...
And I don't know, why.
There's something, that's not right with my soul,
I have no goal, I have no goal.
I'm leaving shallow waters,
I'm leaving all my dreams of you,
I can't go on, I want to run away...
I think I'll go today.
Tommorow, it won't help me at all,
it won't help me at all.

There's something, that I told you and,
you don't know, that it's true,
oh, that it's true now ...
I'm leaving shallow waters,
I'm leaving all my dreams of you,
I can't go on,
I want to run away ...

I'm leaving shallow waters,
all my dreams of you,
I can't go on, I want to run away,
run away, I think I'll go today,
'cos you know, tommorow,
it won't help me at all,
it won't help me at all.

Shallow waters,
all my dreams of you,
I can't go on,
I'm leaving shallow waters.
