

Jo Damita, The Wedding Song

Damita:

They say that we couldn't make it together (oh no)
and they say that we couldn't stand stormy weather (oh yeah)

Deitrick:

But I know that you are my angel from up above
(up above)

I don't care what people say and
I don't care what they do
I'm gonna always be with you (ye-eah)
'Cuz what God has joined together
Let no man tear it apart (oh no)

I'm in love with you
You're in love with me
And we know this love it was meant to be
I'm in love with you
'Cuz what God has joined together
Let no man tear it apart

Damita:

Could this be
That our dreams have become our reality
For the rest of my life
Baby I'll be your wife
and You'll be with me

Deitrick:

Gonna love you
Gonna hold you
Untill the end of time

Oh Baby Baby Baby BABY

I'm gonna make you my wife (my wife, my wife)
'Cuz what God has joined together
Let no man tear it apart

I'm in love with you
(till fade)
