

Jo Dee Messina, Bye-Bye

Boy you sure look good there standin' in the doorway in the sunset light
Maybe I read you wrong thinkin' you could be my "Mr. Right"
I was puttin' my heart and soul on the line
Said you needed some time, just a little more time to make up your mind
Well it's been long enough
Time is up

Bye bye love, I'll catch you later
Got a lead foot down on my accelerator and the rearview mirror torn off
'Cause I ain't never lookin' back, and that's a fact.
I've tried all I can imagine
I've begged and pleaded in true lover's fashion
I've got pride, I'm takin' it for a ride
Bye bye, bye bye my baby, bye bye

Don't think all those tears are gonna hold me here like they've done before
You'll find what's left of us in a cloud of dust on highway 4
Baby what did you expect me to do
Just sit around and wait on you
Well I'm through watchin' you just skate around the truth
And I know it sounds trite
I've seen the light

Bye bye love, I'll catch you later
Got a lead foot down on my accelerator and the rearview mirror torn off
'Cause I ain't never lookin' back, and that's a fact.
I've tried all I can imagine
I've begged and pleaded in true lover's fashion
I've got pride, I'm takin' it for a ride
Bye bye, bye bye my baby, bye bye

I've lost the game I guess
I did my best to win the part
Now I'm leavin' here with what's left of my heart.

Bye bye love, I'll catch you later
Got a lead foot down on my accelerator and the rearview mirror torn off
'Cause I ain't never lookin' back.
You can count on that.
I've tried all I can imagine
I've begged and pleaded in true lover's fashion
I've got pride, I'm takin' it for a ride
Bye bye, bye bye my baby, bye bye

Bye bye
Ooh baby
Oh oh
Bye bye, bye bye my baby, bye bye
