

Jo Dee Messina, Saturday Night

Every week it come 'round
With a feel like New Year's Eve
Short dress, de-stress, tonight I
couldn't care less
Take a look at me

So I put myself together
Paint my lips and lashes on
'Cause I know there's someone out
there
Wantin' me to come along

:Chorus:
It's the night of the week when me
dreams hit the street
With pearls and high heels on
Take a shot at romance, do I stand a
chance
Will destiny be good to me
It's the thrill of the kiss that on
Monday I'll miss
When I look back and say
Oh, my Lord you should have seen
me Saturday
Saturday (Saturday, Saturday) Night

Mary's got a Mustang
We all pile in
Downtown, top down, rockin' while
we ride around
Let the night begin
I'm just searchin' for a dreamer
Who'll steal my heart away
Strong and shy with I dare you eyes
And a smile who lights the way

:Repeat Chorus:

Five days out of seven slavin'
I need one that's just for me

It's the thrill of the kiss that on
Monday I'll miss
When I look back and say
Oh, my Lord you should have seen
me Saturday
Saturday, oh Saturday, Saturday
Oh, Saturday, Saturday night
Saturday night
