

# Jo O'Meara, Wish I Was Over You

Safe In My Madness  
Look At Me Im Dressed Up Messed Up  
And Totally Crumbling of The Taught Of Seeing You Here  
I Thought I Shook You Out of My Hair  
But You're Back Like A Showstopper  
I Can't Stop Can't Stop This Ain't Easy No

Every Road I Chose Brings Me Back To You  
Every Dream I Dream Always Ends The Same  
So Tell Me Why Do I Do The Things I Do  
I Wish I Was Over You

Caught Up In Such Confusion Im Going With It  
But Im Losing It So Damn Quick I Think You Might Notice  
I'm In A State There's No Other Way  
I Can't Handle About To Go Crazy

Every Road I Chose Brings Me Back To You  
Every Dream I Dream Always Ends The Same  
So Tell Me Why Do I Do The Things I Do  
I Wish I Was Over You  
I Wish I Was Over You  
I Wish I Was Over

You're Paired In Like A Twisted fate  
Like I Found A Cloud On A Sunny Day  
I'm Back To You Like I Rickashade  
Falling Apart Again Losing My Mind Again

(do, do, do, do, do- ah)

Every Road I Chose Brings Me Back To You  
Every Dream I Dream Always Ends The Same  
So Tell Me Why Do I Do The Things I Do  
I Wish I Was Over You  
(yeah, yeah, yeah)  
I Try To Keep My Cool But I Know I Cant  
Trying Not To Lose All I Do I Say  
And Tell Me Why Do i Do Things I Do  
(The Crazy Things I Do)  
I Wish I Was Over You  
I Wish I Was Over You  
(I'm Such a Fool)  
I Wish I Was Over You
