

# Joan Armatrading, Head Of The Table

Caught this bit of news  
From unexpected quarters  
You in your close-knit family  
Who says what you should be after  
Don't you know what you should be after  
Unless you consult the head of the table  
The head of the table  
He's stern and strong

Caught this bit of news  
From unexpected quarters  
Such a close-knit family  
Keeps you on the straight and narrow  
You find that you're unable  
To do what you want  
The head of the table  
He's stern and strong

So run along  
Little boy run along  
The head of the table would bend  
If you're able to prove that you're right  
And he's wrong
