

# Joan Armatrading, (I Love It When You) Call Me Names

I just wanna see you at night  
Don't come round my house in the day  
I love it when we start up a fight  
And I love it when the fight ends your way

I love it when you call me names

I can't wait to see you again  
I know you're gonna slap my face  
You beat me up then beat me again  
And over and over and over and over  
And over and over

I love it when you call me names

Big woman  
And a short short man  
And he loves it  
When she beats his brains out  
He's pecked to death  
But he loves the pain  
And he loves it  
When she calls him names

She's wearing heavy leather with lace  
He dresses up in cowboy taste  
They punish then they think up a crime  
It's their way of loving not mine

I love it when you call me names
