

Joan Baez, Only Heaven Knows

(Words and Music by Joan Baez)
Seems we've been to heaven darling
Ah the sad wind blows
But I have lost my way my darling
Tell me how it goes
While the mist is rising darling
Ah the sad wind blows
Tell me how we met my darling
Tell me all you know
Well I am somewhat older darling
Ah the sad wind blows
And you are so much younger darling
That's the way it goes
And we looked so good together
Ah the sad wind blows
Out of all the summer flowers
I had picked the rose
Take me in your arms my darling
While the sad wind blows
Tell me that this pain will leave me
Tell me how it goes
Ah if this pain should ever leave me
Only heaven knows
