

# Joan Osborne, Billie Listens (To Your Heartbeat)

Comin' out of the window  
Watchin' down from the wall  
Billie listens to your heartbeat  
Floatin' down the hall  
You think my eyes are covered over  
You think my heart has crawled away  
Billie listens to your heartbeat  
When I don't know what to say  
I meant to be your drivin' wheel  
I meant to be your swing  
If I had a tongue like that  
I would keep you safe  
I would keep you safe from everything  
I made a deal with the ocean  
I made a deal with the ground  
Billie listens to your heartbeat  
When I'm not around  
When I'm not around
