

Joan Osborne, War

Chorus:

War

What is it good for?

Absolutely nothing

War, it ain't nothing but a heartbreaker

Friend only to the undertaker

War means tears

To thousands of mothers' eyes

When their sons go out to fight

And their daughters lose their lives in

Chorus

War, it's an enemy of all mankind

The news of war, it breaks my heart and closes my mind

War has caused unrest to a whole generation

Induction then destruction

And who wants to die in a

War

What is it good for

Absolutely nothing

Tell me

War

What is it good for

Ask yourself this question

Peace Love and Understanding;

Tell me, is there no place for them today

They say we must fight to keep our freedom

But lord, lord there's got to be a better way

War

What is it good for

Tell me, tell me, tell me

War

What is it good for

Can you tell me now

There's got to be a better way
