

Jocelyn Enriquez, Why

It's been so long...
Would it be wrong to call your name?

I think of you,
Wonder if you're still the same.

But do you remember like I do?
Bitter tears when we threw love away.

'Cause I don't need you any longer
Without you I'm so much stronger
I cannot avoid this hunger
for you lately.

Why? Can't I let you go?
How? Can I let you know?
We were meant to be together
Share a love that lasts forever
Promise I will take care of your heart
(Take care of your heart.)

X2

Why? Can't I let you go?
(can't I let you go?)
How? Can I let you know?
(can I let you know?)
We were meant to be together
(be together...)
Share a love that lasts forever
(forever...)
Promise I will take care of your heart
(Take care of your heart.)
