

Jodeci, Cry For You

Without you baby
I feel worthless
I'm livin on the edge
It's been an hour
Since you've been gone
And that's too long
So come back home
I can't live without you
So i'll cry for you
Do anything that i can
To feel that touch from your hand
Sorry that i want you
Lady what do i do

[Bridge:]

You know you're everything i do
Ooh yeah
Do what you want me to
I would do anything
Get on my knees for you
Ooooh, baby
What else is there to do
I don't know, i don't know
But i'll cry

[Chorus:]

Lady i, will cry for you tonight
Tonight
Yeah
Lady i, will cry for you tonight
Tonight

Help me out
Help me out, yeah
You spoil me girl
Like a child
When you're not here i can't even smile
I can't think without you
My mind is always with you
It's amazing what you do
To keep me falling in love with you
Girl you all that i know
Where else can i go

You know you're everything i do
Ooh wee
Do what you want me to
Anything you need from me baby
Get on my knees for you
Ohhh, ooooh, ohh
What else is there to do
I don't know, i don't know
But i'll cry

Lady i, will cry for you tonight
Tonight
Lady i, will cry for you tonight
Tonight

Help me out baby
Help me out baby, yes
I don't know what else to say

I don't know what else to say
K-ci help me sing it
Jojo i'm right here yes i am
I will cry for you lady
Sometimes my pillow gets so wet with tears
I don't have no one to call my own
I want you back baby
Ooh yeah
Baby i'm beggin, baby i'm beggin, beggin baby x8
Yeahhhhhhhh
