

Jodeci, Lately

Lately I've had the strangest feeling
With no vivid reason here to find
but yet the thought of losing you's been hanging
Around my mind
Far more frequently you're wearing perfume
And with you say 'No special place to go'
But when I ask, will you be coming back soon
you don't know, never know
I'm a man of many wishes
Hope my premonition misses
But what I really feel
My eyes won't let me hide
Cuz they always start to cry
Cuz this time could mean good, goodbye.
(Oh why don't you tell me)
Lately I've been staring in the mirror
Very slowly picking me apart
Saying I'm trying to tell myself that I have a reason
With your heart
Girl, just the other night while you were sleeping
I vaguely heard you whisper someone's name
But, when I asked you what are the thoughts your keeping
You just said 'Nothing changed'
(2x)
I'm a man of many wishes
Hope my premonition misses
But what I really feel
My eyes won't let me hide
Cuz they always start to cry (yeah yeah baby)
Cuz this time could mean good bye, good bye
