

Jodeci, Slip And Fall

(Intro)(Devante)

Uh huh

It's all the pot man, don't stop it

Alright alright alright alright

Fallin' down slicker

Yo, K, you can't be slippin'

(What? What?)

Trippin'

(Whatchu saying, whatchu sayin', whatchu sayin')

Jojo, whatsup wit that?

Ah, uh, Y'all tell me what it is man

Tell me what it is, tell me what it is

(JoJo){(K-Ci)}

Step up now (Hear me, please)

My oh me (From west to east)

She's got class (In all degrees)

Plus she's got ass (Bet I could please)

Ooh that girl (She's that thing)

Ooh, that girl (She is that blaze)

Ooh, that girl (Makes me wanna sing)

Ooh, that girl (She can have anything)

(Chorus)

I guess I'm 'bout to slip and fall

I guess I'm 'bout to slip and fall

No, no, no, no

Baby you can take them all

I supply the sky and on

No, no, no, no

I guess I got a different call

I guess I got a different call

No, no, no, no

My baby, she's got it all

I wanna do my all and all

No, no, no, no

(Verse 2)

I don't care (What they say)

It's her hair (And her sway)

I could spend (Every day)

We're a pair (In every way)

Ooh, that girl (You're that fine)

Ooh, that girl (It's our time)

Ooh, that girl (Come take my mind)

Ooh, that girl (My lady)

I guess I'm 'bout to slip and fall

I guess I'm 'bout to slip and fall

No, no, no, no

Baby you can take them all

I supply the sky and on

No, no, no, no

I guess I got a different call

I guess I got a different call

No, no, no, no

My baby, she's got it all

I wanna do my all and all

No, no, no, no

(Devante)({K-ci})
I guess I'm 'bout to slip and fall
I guess I'm 'bout to slip and fall
(Oooooohh yeah, yeah, yeah I'm slippin fallin)
Baby you can take them all
I supply the sky and on
(IIIII waill supply the sky and on)

I guess I got a different call
I guess I got a different call
No, no, no, no
My baby, she's got it all
I wanna do my all and all
No, no, no, no

I guess I'm 'bout to slip and fall
I guess I'm 'bout to slip and fall
No, no, no, no
I guess I'm 'bout to slip and fall
I guess I'm 'bout to slip and fall
No, no, no, no

I guess I'm 'bout to slip and fall
I guess I'm 'bout to slip and fall
