

Jodi Benson, My Lovey Dovey Baby

Newsies - My Lovey-Dovey Baby

//Medda sings this whole song//

My lovey-dovey baby,

I boo-hoo-hoo for you.

I used to be your tootsie-wootsie.

Then you said toodle-ee-doo...

I miss the hanky-panky...

Each nighty-night till three...

Come back, my lovey-dovey baby...

And cootchie-coo with me...

Our life was ducky wucky,

So goody-good were we.

Come back, my lovey dovey baby,

And cootchie-coo with me.
