

# Jodi Benson, My Name Is James

My name is James  
that's what mother called me  
my name is James  
so it's always been

sometimes I forget  
when I'm lonely or afraid  
and I'll go inside my head  
and look for James

There's a city that I dreamed of  
very far from here  
very very far away from here  
very far away

there are people in the city  
and they come to me  
but it's very very far away you know  
very far away

They'll say James, James, James how are ya ?  
Isn't it a lovely day  
James, James, James  
were so glad you came here where we are  
from so very very very far

My name is James, James, James
