

Jodi Benson, Santa Clause Lane

I remember last Christmas Eve,
something happened that I couldn't believe.
I went for a walk as the snow came down
and when it stopped I was in a different town.
And a sign said "Have no fear, you're not lost you're here."

Walking this Christmas
Down Santa Clause Lane
No need to wonder,
No need to explain
Just have some faith in what you see
You're right here where you wanna be
Walking this Christmas,
Down Santa Clause Lane.

Elves were standing in the street,
snowmen and reindeer came out to greet.
Silver bells chimed from far away
and Santa rode by on an open sleigh.
And he told me "Have no fear, you're not lost you're here."

Walking this Christmas
Down Santa Clause Lane
No need to wonder,
No need to explain
Just have some faith in what you see
You're right here where you wanna be
Walking this Christmas,
Down Santa Clause Lane.

I don't know how
I don't know when
But one day I'll be back again.

And he told me "Have no fear, you're not lost you're here"

Walking this Christmas
Down Santa Clause Lane
No need to wonder,
No need to explain
Just have some faith in what you see
You're right here where you wanna be
Walking this Christmas,
Down Santa Clause Lane.
