

Jodi Benson, Steven My Love Is Gone

Steven my love is gone
Steven my love is gone
Steven my love is gone
Steven my love is gone....

Perfection completed will you get me out of here? I never noticed something that could keep me in a spare. But if you never realize the perpace of this space, I wanna stay alone and beat you at a race.

Steven my love is gone
Steven my love is gone
Steven my love is gone
Steven my love is gone....

If I was a little girl, I can sing when I'm glad. There's always something special 'cause of all of the stuff we had. But are you gonna tell me how it is when I'm not around? I was going to tell my freinds to keep there voices down.

Steven my love is gone
Steven my love is gone
Steven my love is gone
Steven my love is gone (2x)

Love...is a perfect spot
Hate...is not really good
Yes...I'm gonna love you so
No...don't you think about love (echo)

Steven my love is gone
Steven my love is gone
Steven my love is gone
Steven...my love is gone (echo)
