

# Jodi Benson, Very Good Advice

I give myself very good advice  
But a very seldom follow it  
That explains the trouble that I'm always in  
"Be Patient," is very good advice  
But the waiting makes me curious  
And I'd love the change  
Should something strange begin

Well, I went along my merry way  
And I never stopped to reason  
I should have known there'd be a price to pay  
Some day, some day

I give myself very good advice  
But I very seldom follow it  
Will I ever learn to do the things I should?

Will I ever learn, learn to do the things I should?
