

# Jodi Benson, Yer Beautiful, Baby

Main Beetle:

Baby, it's the Beetle Ball  
And bugs are crawling to get in  
When they hear that beetle beat  
Those beetles beetles start to spin  
And now a cheer for you, my dear  
Yer beautiful, baby

Back up Beetles:

Oh my little butterfly  
You flutterby in each romance  
Every chance to dance with you  
Puts the ants back in my pants  
Let's cut a rug, my ladybug  
Yer beautiful, baby

Main Beetle:

I get a flash when I have you on my wing  
You tie my antennae in a knot  
Now the room's reeling and I'm feeling  
So hot hot hot hot hot hot hot  
Hot to trot  
Let's dance, baby

Back up Beetles:

Ha-ha-ha-ha-ha-ha-ha  
Hee-hee-hee-hee ho-ho-ho-ho  
She-she-she-she's so-so-so-so  
Hey that bug is a dog!

Back up Beetles:

Would you look at that  
She ain't got no wings  
Good gracious me  
Where are those things?  
She ain't got no feelers

Crowd:

No feelers?

Back up Beetles:

She ain't got no shell

Crowd:

Do tell

Back up Beetles:

She's got scrawny legs  
And knobbly knees  
For all we know  
The gal's got fleas  
She can't even fly  
No, that won't do  
So say goodbye  
She's not for you

Main Beetle:

I'm sorry toots, I guess you're too  
All:  
.... ugly!
