

# Jody Miller, Safe In These Lovin' Arms Of Mine

I remember when I gave you the key to my front door  
Love had taken over this heart of mine  
If you could only see the smile that comes across my face  
When I hear your footsteps at my door when I hear you walkin' up to my door  
When you reach for me and take my hand you make me know that you're my man  
And I'll hold you and kiss you and warm you and love you  
Cause I know that some day you'll find you're safe in these lovin' arms of mine

I know what men are made of cause I've been around a few  
They'll use you for awhile and leave you cold  
You may cheat and run around cause you gotta have your fun  
But like I told you many times before you'll always have the key to my front door  
When you reach for me...  
When you reach for me...  
Safe in these lovin' arms of mine safe in these lovin' arms of mine
