It's love that really matters now, it's love that makes you stay.
If I can't explain it yeah,
I can make those dreams of mine come true.

All you need to do is trust me yeah,
Nuthin' that I wouldn't do for a woman like you.

All you need to do is ask me baby,
There's nuthin' that I wouldn't do for a woman like you.
Nuthin' I wouldn't do
