Joe Cocker, Leave Your Hat On

Baby take off your coat real slow Take off your shoes I'll take off your shoes girl Take off your dress yes, yes, yes

You can leave your hat on You can leave your hat on You can leave your hat on

Go over there turn on the lights, all the lights Come over here, stand on that chair Baby thats right Raise your arms up in the air And now shake em

You give me reason to live You give me reason to live You give me reason to live You give me reason to live

Sweet darling

You can leave your hat on You can leave your hat on baby You can leave your hat on You can leave your hat on

Suspicious minds are talking They're trying to tear us apart They don't believe this love of mine But they don't know what love is

They don't know what love is They don't know what love is They don't know what love is I know what love is

You can leave your hat on You can leave your hat on You can leave your hat on You can leave your hat on
