

# Joe Cocker, Love Don't Live Here Any More

(Miles Gregory)

You abandoned me  
Love don't live here any more  
Just look back and see  
Love don't live here any more

When you lived inside of me  
There was nothing in the world you wouldn't do for me  
Trouble seemed so far away  
Then you changed and went away  
And you abandoned me  
Love don't live here any more  
Just look back and see that  
Love don't live here any more  
Any more

Love don't live here any more  
Just emptiness and memories over what we had before  
Why did you have to go away  
Find another place to stay  
You abandoned me  
Love don't live here any more  
Just look back and see  
Love don't live here any more  
Yeah

Through the windows in my eyes  
Everyone can see the loneliness inside of me  
Don't you know I need you so  
Why did you have to go  
And abandon me  
Love don't live here any more  
Just look back and see that  
Love don't live here any more  
Yeah, don't live here any more  
Love don't live here, don't live here any more  
Any more

You went away and left me  
Now love don't live here any more  
Any more  
Love don't live here any more
