

# Joe Cocker, Love Is Alive

Well, I think it's time to get ready  
To realize just what I have found  
I've been only half of what I am  
It's all clear to me now

My heart is on fire, my soul's like a wheel that's turnin'  
My love is alive, My love is alive

There's somethin' inside that's makin' me crazy  
I'll try to keep it together  
'Cause what I say may not happen the same way  
Not to be for ever and ever

My heart is on fire, my soul's like a wheel that's turnin'  
My love is alive, My love is alive

My love is alive  
My love is alive

Is there a movie inside my mind  
Reflectin' the love that you shine on me  
Hold on now, to that feelin'  
Let it flow, let it run, yeah

My heart is on fire, my soul's like a wheel that's turnin'  
My love is alive, My love is alive

My love is alive  
My love is alive
