

Joe Cocker, Soul Rising

Yesterday, I Was Out In The Rain
Wondering When I'D See The Sun Again
Lonely Hearts, Baby, I Wrote The Book
Since She Walked Away Without A Second Look

Ohbut Now I Feel Good
Cos' You Look At Me
The Way A Woman Should

I Feel My Soul Rising To A New Love
No Blues I Can'T Rise Above
I Feel My Soul Rising When I'M Close To You
When Your With Me Girl
There'S Nothing I Can'T Do

Yesterday I Was Falling Apart
Picking Up Pieces Of My Broken Heart
Yeah. But One Touch Of Your Healing Hand
24 Hours Later I'M A Whole New Man

Yeah, And I'M Stronger Now
Cos' You Make The World A Better Place Some How

I Feel My Soul Rising To A New Love
No Blues I Can'T Rise Above
I Feel My Soul Rising When I'M Close To You
When Your With Me Girl
There'S Nothing I Can'T Do

I Got Sunshine On A Brand New Day
And The Grey Clouds Have All Drifted Away
And There'S Nobody That I Can'T Be
If It'S You And Me
