Joe Cocker, Up Where We Belong

Who knows what tomorrow brings In a world, few hearts survive All I know is the way I feel When it's real, I keep it alive

The road is long, there are mountains in our way But we climb a step every day

Love lift us up where we belong Where the eagles cry on a mountain high Love lift us up where we belong Far from the world we know, up where the clear winds blow

Some hang on to "used to be" Live their lives, looking behind All we have is here and now All our life, out there to find

The road is long, there are mountains in our way, But we climb them a step every day

Love lift us up where we belong Where the eagles cry on a mountain high Love lift us up where we belong Far from the world we know, up where the clear winds blow

Time goes by No time to cry Life's you and I Alive, today

Love lift us up where we belong Where the eagles cry on a mountain high Love lift us up where we belong Far from the world we know, up where the clear winds blow
