

Joe Ely, Drivin' Man

I'm a Drivin' Man
I'm a Drivin' Man
I'm a travelin' light, roarin' thru the night
I'm a Drivin' Man

I'm a Risin Sun
I'm a Risin Sun
My love is true, I'm gonna shine on you
I'm a Risin Sun

I heard your mama say, you better stay away
From a Drivin' Man
He's trouble in motion, and when he gets the notion
He'll leave you right where you stand

I'm a Loaded Gun
I'm a Loaded Gun
I'm a Loaded Gun, down the road I run
I'm a Loaded Gun

I heard your mama say, you better stay away
From a Drivin' Man
He's trouble in motion, and when he gets the notion
He'll leave you right where you stand
