

# Joe Ely, Richman, Poorboy

Well a poor boy&#039;s got one thing on a rich man, honey  
He&#039;s got time to feel,  
he don&#039;t have to deal with all his money  
So if you want me, ya gotta take me just the way that I am.  
I&#039;m a poor boy, my heart&#039;s on fire, I&#039;m a travelin&#039; man

If you wanna be lonely,  
Sleepin in bed with all your diamond rings  
Go ahead and find someone  
With a heart as cold as stone  
But don&#039;t come a knockin&#039; when you wake up all alone

Because a poor boy&#039;s got one thing on a rich man, honey  
He don&#039;t have to pretend,  
he&#039;s got the world to win with all his money  
So if you want me, ya gotta take me just the way that I am.  
I&#039;m a poor boy, my heart&#039;s on fire, I&#039;m a travelin&#039; man

If you wanna be lonely,  
Sleepin in bed with all your diamond rings  
Go ahead and find someone  
With a heart as cold as stone  
But don&#039;t come a knockin&#039; when you wake up all alone

Because a poor boy&#039;s got one thing on a rich man, honey  
He knows the gift of love  
is a bundle above a whole mountain of money  
So if you want me, ya gotta take me just the way that I am.  
I&#039;m a poor boy, my heart&#039;s on fire, I&#039;m not a candy stand...
