

Joe, Get Crunk Tonight

Uh, uh-huh, uh, uh-huh, yeah
Girl you know I meant to call you that night
Don't talk about that, I'm calling you now
I'm feeling horny and I want you so bad
I'm picturing that I'm seeing your mouth
I remember what you said you do with your lips
Said you know all types of tricks
Are you ready for a taste of this?
Yeah I hope so I'm ready to be exposed
Do every little single detail that you told me

[1] - Yeah I know that you talk a good game
But tonight you'll say my name
I wanna kiss you on your private spot
And I hope you do the same
And when I'm done you will be telling your friends
Our relationship will end
So keep it on the low
I wanna do you slow, for sure
You're not my girl so just keep your mouth closed

[2] - I've been dreaming that you're freaky
And you've been trying to get at me
Come over have a drink
Cause I wanna get crunk tonight
Leave all your worries at the front door
Don't be scared of what you came for
I ain't trying to beat around
I just wanna get crunk tonight

How long it's gonna take for you to get here?
It shouldn't be long
You said you live near
I'm looking forward to this late evening
I'm massaging your skin then breaking you thin
I remember what you said about the tub
So I went and filled it up
I wanna cuddle up the suds, yeah
Let's get to it
Stop frontin' girl let's do it
I'm tired of all your talkin'
Girl it's time to prove it

[Repeat 1]

[Repeat 2 (2x)]

[3] - Let me see you
Nod, nod, nod your head
When you get in my bed, bed, bed, bed, bed
Just go below the sheets and satisfy me
And I'm gonna moan for you in harmony
Then I'm gonna kiss, kiss, kiss your lips
The ones below your hips, hips, hips, hips, hips
I'll go below the sheets to satisfy you
And you're gonna moan for me in ecstasy

[Repeat 3]

[Repeat 2]

Uh, freaky, freaky
Oh yeah, oh yeah
I wanna get crunk with you, oh yeah
