

Joe Jackson, Come On

Everything is wrong since me and my baby parted
All day I'm walking cause I couldn't get my car started
I'm laid off from my job and I can't afford to check it
I wish somebody come along and run into it and wreck it

Come on - since my baby parted
Come on - I can't get started
Come on - I can't afford a jacket
I wish somebody come along and run into it and wreck it
Come on...
I wish somebody come along and run into it and wreck it

Everything is wrong since I've been without you
All alone I'm lying here I'm thinkin' about you
A guy is on the phone and it sounds like thunder
Cause some stupid jerk's tryin' to reach another number

Come on - since I've been without you
Come on - I always think about you
Come on - the phone sounds like thunder
Some stupid jerk's tryin' to reach another number
Come on...
Some stupid jerk's tryin' to reach another number

Everything is wrong since I last saw you, baby
I really want to see you and I don't mean maybe
I'm tryin' everything tryin' to make you see
That I belong to you, girl, and you belong to me

So come on - I wanna see you baby
Come on - I don't mean maybe
Come on - I'm tryin' to make you see
That I belong to you and, honey, you belong to me
Come on...
Cause I belong to you and, honey, you belong to me
Come on...
