## Joe Jackson, Go For It

Everybody's wasting time Everybody stands in line Think of Babe Ruth And you think of hot dogs and beer But if he could hit a home run so could you And your weight is just nowhere near Am I making myself quite clear? Is that the best you can do? Go for it, go for it, go for it If that's the best you can do Get out of my place Take anyone's place Come last in the race, but Go for it, go for it, go for it The clock is ticking on the wall Everybody has to take a fall Think of Ray Charles And you think of sunglasses at night But if he can play piano so can you And you can tell black from white Can you tell me that I'm not right? Is that the best you can do? Go for it, go for it, go for it If that's the best you can do Get out of my life Be anyone's life And do what you like, but Go for it, go for it, go for it Go for it, go for it, go for it Go for it, go for it, go for it Go for it, go for it, go for it Think of Babe Ruth And you think of hot dogs and beer But if he could hit a home run so could you And your weight is just nowhere near Am I making myself quite clear? Is that the best you can do? Go for it, go for it, go for it If that's the best you can do Get out of your shell, be anyone's pal Do bad or do well, but Go for it, go for it, go for it
