

Joe Jackson, One More Time

Tell me one more time as I hold your hand, that you don't love me
Tell me one more time as teardrops start to fall
Shout it to me and I'll shout it to the skies above me
That there was nothing after all
Baby, baby, tell me that you never wanted my loving
Baby, baby, tell me that you never, tell me, tell me,
One more time, one more time, say you're leaving, say goodbye
One more time, one more time, say you're leaving, say goodbye
Tell me one more time that we never had a thing in common
Tell me one more time as you turn and face the wall
Tell me I should know you were never my kind of woman
Tell me we were fools to fall
Baby, baby, tell me that you never wanted my loving
Baby, baby, tell me that you never, tell me, tell me,
One more time, one more time, say you're leaving, say goodbye
One more time, one more time, say you're leaving, say goodbye
Tell me one more time your tears are only sad confusion
Tell me it's just been so long and that is all
Tell me one more time that love was only my illusion
You never answered to my call
Baby, baby, tell me that you never wanted my loving
Baby, baby, tell me that you never, tell me, tell me,
One more time, one more time, say you're leaving, say goodbye
One more time, one more time, say you're leaving, say goodbye
