

Joe Jackson, Steppin' Out

Now the mist across the window
Hides the lines
But nothing hides the colour
Of the lights that shine
Electricily so fine
Look and dry your eyes

We so tired of all the darkness
In our lives
With no more angry words to say
Can come alive
Get into a car and drive
To the other side

Me babe
Steppin' out
Into the night
Into the light
You babe
Steppin' out
Into the night
Into the light

We are young
But getting old before our time
We'll leave the tv and the radio behind
Don't you wonder what we'll find
Steppin' out tonight

You can dress in pink and blue
Just like a child
And in a yellow taxi
Turn to me and smile
We'll be there in just a while
If you follow me

Me babe
Steppin' out
Into the night
Into the light
You babe
Steppin' out
Into the night
Into the light

[Instrumental Interlude]

Me babe
Steppin' out
Into the night
Into the light
You babe
Steppin' out
Into the night
Into the light
