

# Joe Jackson, Target

Uptown - downtown  
No one's fussy I'm a target  
Black, white - day, night  
No one's fussy I'm a target  
Somebody say I'm crazy  
Walking in this neighborhood  
Say you can't be too careful  
But that won't do no good  
I'm no one special  
But any part of town  
Someone could smile at me then  
Shake my hand then gun me down  
Uptown - downtown  
No one's fussy I'm a target  
Black, white - day, night  
No one's fussy I'm a target  
Somebody say I'm crazy  
Living in this crazy town  
I say maybe you're just lazy  
Got to either swim or drown  
I know what I'm doing  
I'm happy day to day  
But then something happens  
Takes my nerve away  
Uptown - downtown  
No one's fussy I'm a target  
Black, white - day, night  
No one's fussy I'm a target
