

# Joe Louis Walker, Shade Tree Mechanic

I want you to put me under your shade tree  
Please get me out of the sun  
I want you to put me under your shade tree  
Please get me out of the sun  
Cause I&#039;m your shade tree mechanic  
And heaven knows that I&#039;m the one

I can oil and lube you  
And not lose a single drop, no no  
I can cool you down  
When you start to runnin&#039; hot  
I&#039;m your shade tree mechanic  
I never leave my shady spot

I can check your battery baby  
With my special pressure gage  
My work is guaranteed  
Guaranteed for thirty days  
I want you to put me under your shade tree  
Please get me out of the sun  
Cause I&#039;m your shade tree mechanic  
And heaven knows I&#039;m the one
