

Joe Pace, He Paid The Price

Verse:

What can I say, how can I repay,
the sacrifice He made for me;
He died upon the cross,
paid the cost,
so I wouldn't be lost,
now I have the victory.

Jesus shed His blood for me,
way back on Calvary,
washed all my sins away.
Now I've got a right to the tree of life,
because He lives I'm alive today.

Chorus:

He died that I might have life,
and have life more abundantly;
sacrificed, He paid the price for me.

He died that I might have life,
and have life more abundantly;
sacrificed, He paid the price for me.

Bridge:

Jesus paid a debt He did not owe,
I owed a debt I could not pay.
It was my soul that He saved
when He rosed from the grave;
what a sacrifice He made, He made.

Chorus

Vamp:

He gave me life,
paid the price back on Calvary.
