

Joe Pace, He Takes Care Of His Own

Verse:

I've been through the storm, hold back the rain.

I've seen many sick, erase the pain.

I've even seen the wicked plot
against the righteous and their God.

I one was young but now I'm old,

the half has yet, it remains to be told;

I'm a witness that He takes care of His own.

Vamp 1:

I've never seen.

Vamp 2:

The righteous forsaken.

Vamp 3:

Take care,

take care,

take care,

oh yes, He,

oh yes, He,

oh yes, He will.

Ending:

Take care.
