Ooh, ooh, ooh, ooh, ooh.

He will fight your battle.

He will fight your battle.

He will fight your battle,

He will...

if only you just be still,

if only you just be still.

Vamp 1:

I had to learn to trust in Thee,

that's when I gained my victory.

Vamp 2:

I had learn to, yeah Lord,

to trust in Thee,

that's when I gained my victory.

Vamp 3:

I had to learn, yeah Lord,

to trust in Thee, yeah Lord,

that's when I gained, yeah Lord,  
my victory.

If only you just be still.
