

Joe Pace, Watch God Move

Verse:

So you're having problems,
you don't think you'll make it through the day;
you tried everything you know
and nothing seems to go your way.

As you go to the Lord in prayer,
remember this simple groove;
leave all your burdens there,
get up, step back...

Chorus:

Watch God move,
watch Him make a way for you.

Watch God move,
watch Him make a way for you.

Bridge:

I know your load is heavy,
sometimes you feel so low;
you've got to hold your head up high,
let it go, just let it go.

Vamp 1:

Get up, step back, watch God move.

Vamp 2:

Watch God move.

Vamp 3:

Yes, watch God move.
