

# Joe Pesci, Yo Cousin Vinny

Every time I get the urge to visit my home town.  
I'm sure that all my cousins will try to track me down.  
My heart says 'Go' my head says 'No, it's best to stay away'.  
But if I'm up here I'm sure to hear all those jerk offs say:

'Hey Cousin Winnie! Yo Cousin Winnie! Is there anything that you could do for me?  
'Hey Cousin Winnie! Yo Cousin Winnie! It ain't that long you must remember me.  
'Hey Cousin Winnie! Yo Cousin Winnie! Is there anything that you could do for me?  
'Hey Cousin Winnie! Yo Cousin Winnie! Hey we're your cousins, we're your family.

Fredo was my cousin, he couldn't make his bail.  
I was talking to his father, he said 'let him rock in jail'  
But I pitied his poor mother. She said I was a prince.  
I paid his bail he's out of jail, I ain't seen the fuck since.

'Hey Cousin Winnie! Yo Cousin Winnie! Is there anything that you could do for me?  
'Hey Cousin Winnie! Yo Cousin Winnie! It ain't that long you must remember me.  
'Hey Cousin Winnie! Yo Cousin Winnie! Is there anything that you could do for me?  
'Hey Cousin Winnie! Yo Cousin Winnie! Hey we're your cousins, we're your family.

My cousin Rose got married, she said they'd all be there.  
And they would love to see me as if I fucking cared.  
They ate, they drank they danced all night my cousins had they filled.  
And when it all was over you can guess who paid the bill.

'Hey Cousin Winnie! Yo Cousin Winnie! Is there anything that you could do for me?  
'Hey Cousin Winnie! Yo Cousin Winnie! It ain't that long you must remember me.  
'Hey Cousin Winnie! Yo Cousin Winnie! Is there anything that you could do for me?  
'Hey Cousin Winnie! Yo Cousin Winnie! Hey we're your cousins, we're your family.  
Hey we're your cousins we're your family.  
We're your cousins, we're your family.

FUCK!
