

Joe, Rose In A Concrete World (J Dub Remix)

[Intro]

Uh, uh-huh, uh-huh, uh-huh, uh-huh, yeah

(This

one goes out)

(To all the lost loved ones)

(That's right)

No ooohh, no, no

(Throw your
hands in the air)

No oh oh oh oh oh

We were like

soldiers, shoulder to shoulder

Back to back against the
wall

Always there to catch me if I would fall

If I was

in trouble, when you was in trouble

Never gave a damn if I

was wrong or right

Never backed down if we had a fight

1 - Now you've gone away

Always thought that

you'd be here to stay

See you on the other side

We will ride again

2 - We would ride like the

wind

On the stairways of sin

I can't believe all

the wrong would turn

Now that you're gone, how can I

go on?

You were a rose in a concrete world

No,

no no no

No no no no no no no

Ghetto to

ghetto

It's the meadow to meadow

Tryin' to

survive day to day

Livin' crazy was the only way

You were my strength when I was weak

Young and gifted,

you were unique

You were far too good for this world, oh

Repeat 1

Repeat 2

Repeat 2

(Break

it down)

Oh oh oh, oh oh oh

Oh oh oh oh oh

Oh oh

no no no no no

No no no no

La la la la la

Repeat 1
Repeat 2

Oh oh oh, oh oh oh
Oh
oh oh oh oh
Oh oh no no no no no
No no no no
La

La la la da da da, oh
La la la da da da,
