Joe, Rose In A Concrete World (J Dub Remix)

[Intro]
Uh, uh-huh, uh-huh, uh-huh, uh-huh, yeah
(This
one goes out)
(To all the lost loved ones)
(That's right)
No ooohh, no, no
(Throw your
hands in the air)
No oh oh oh oh

We were like soldiers, shoulder to shoulder Back to back against the wall Always there to catch me if I would fall If I was in trouble, when you was in trouble Never gave a damn if I was wrong or right Never backed down if we had a fight

1 - Now you've gone away Always thought that you'd be here to stay See you on the other side We will ride again

2 - We would ride like the wind
On the stairways of sin
I can't believe all
the wrong would turn
Now that you're gone, how can I go on?
You were a rose in a concrete world

No, no no no No no no no no no

Ghetto to ghetto
It's the meadow to meadow
Tryin' to
survive day to day
Livin' crazy was the only way
You were my strength when I was weak
Young and gifted,
you were unique
You were far too good for this world, oh

Repeat 1 Repeat 2 Repeat 2

(Break it down)
Oh oh oh, oh oh oh Oh oh oh oh oh no no no no no La la la la

Repeat 1 Repeat 2

Oh oh oh, oh oh oh
Oh
