

Joe Strummer and The Mescaleros, Silver And Gold

I'm gonna go out dancin' every night,
I'm gonna see all the city lights,
And do everything silver and gold,
I got to hurry up before I grow too old.
I'm gonna take a trip around the world,
I'm gonna kiss all the pretty girls,
And do everything silver and gold
And I got to hurry up before I grow too old.

Oh, I do alotta things I know is wrong,
Hope I'm forgiven before I'm gone,
It'll take alotta prayers to save my soul,
But I got to hurry up before I grow too old.
I'm gonna take a trip around the world,
Gonna kiss all the pretty girls,
Who do everything silver and gold,
And I got to hurry up before I grow too old, whhoooo.

Yea, I gonna go out dancin' every night,
I'm gonna see all your city lights,
I'm gonna do everything silver and gold,
And I've got to hurry up before I grow too old
WeeeeeeeOoooooooooooo.
