Joe, U Shoulda Told Me (U Had A Man)

CHORUS:

You should a told me You had a man Then I wouldn't Waste my time You should a told me You had a man When you knew that I was Big on you and No one else Why'd you have to go And play yourself? You should a told me You had a man Yeah, yeah 7 weeks of passion, sexin' 6 nights a week, left my Body exhausted and my Knees feel so weak Now you're Acting mysterious, girl You took a script and I Shoulda seen it coming but it It happened so quick

So I made all these plans
Of becoming your man
But you left me
Here standing
With only time
On my hands
Girl, I want you but
I don't understand
You shoulda told me
You had a man
You shoulda told me
You had a man

Repeat chorus

I would never believe it but I
I seen it myself, peepin'
Through steamy windows, goin'
Down on someone else, girl
You're too much
For one man
But you're
Not enough for two
You shoulda
You shoulda been
Straight with me before
I hooked up with you

So I had all these plans
Of becoming your man
But you left me
Here standing
With only time
On my hands
Girl, I want you but
I don't understand
You shoulda told me
You had a man
You shoulda told me

You had a man

Repeat chorus

You shoulda told me
You had a man
It coulda been cool, baby

You shoulda told me
You had a man
You shoulda told me
You had a man
How could you
Nver, never, never, never
Think that I would find out
You shoulda told me
You had a man
You shoulda told me
You had a man

Repeat chorus
