DJ :  
Special Club Remix

Dion:  
Maybe baby I love you  
Maybe baby I don't  
Maybe baby someday  
I'll leave you  
Then again maybe I won't  
Woohoo

(piano playing)

Maybe baby I love you  
Maybe baby I don't  
Maybe baby someday I'll leave you, then again maybe I won't  
It's hard to know what the future holds, my mind is so unclear  
Oooh it's hard to see, if we would be together through the year  
Oh baby, You'd be my baby? Woohoo  
Forever, whose to say? I'll do it my way

And when the night is gone, I'll always here you calling  
Then maybe I'll be afraid  
And baby just remember , the times we spent together  
And maybe I'll hear you say

Oh baby, You'd be my baby? Woohoo  
Forever, whose to say? I'll do it my way

Oh baby, You'd be my baby? Woohoo  
Forever, whose to say? I'll do it my way
