

# Joey MacIntyre, Stay The Same

Don't you ever wish you were someone else  
You were meant to be the way you are exactly  
Don't you ever say you don't like the way you are  
When you learn to love yourself you're better off by far  
And I hope you always stay the same  
'Cause there's nothin 'bout you I would change

I think that you could be whatever you wanted to be  
If you could realize all the dreams you have inside  
Don't be afraid if you got somethin to say  
Just open up your heart and let it show you the way

Don't you ever wish you were someone else  
You were meant to be the way you are exactly  
Don't you ever say you don't like the way you are  
When you learn to love yourself you're better off by far  
And I hope you always stay the same  
'Cause there's nothin 'bout you I would change

Believe in yourself reach down inside  
The love you find will set you free  
Believe in yourself you will come alive  
Have faith in what you do you'll make it through  
ohhh whoa whoa hey

Don't you ever wish you were someone else  
You were meant to be the way you are exactly  
Don't you ever say you don't like the way you are  
When you learn to love yourself you're better off by far  
And I hope you always stay the same  
'Cause there's nothin 'bout you I would change

No there's nothin 'bout you I would change

don't change
