Joey McIntyre, I'd Never Get Over You

Hey girl, can we talk for a little while
About my world in your room
Hey let me hear you say you'll never leave me
Coz I'd never get over you

Hey girl, do you mean it when you say you love me?
It feels like, you might have said it to soon
Yeah girl, I know you're thinking I'm a little crazy
But I'd never get over you

Maybe I'm crazy
I can't help myself, doing all the foolish things I do
If you left me baby
I'd never get over you

Anyway it doesn't matter what you done for me
Yesterday, its old news
Baby, I didn't mean, I take it back
Coz I'd never get over you

Maybe I'm crazy
I can't help myself, doing all the foolish things I do
If you left me baby
I'd never get over
I'd never get over you

Maybe I'm crazy
But can you blame me
For all the foolish things I do
If you left me, (don't leave me)
I'd never get over you

I can never get over you
Its why I do those foolish things I do
I can't live without you babe
If you left me baby,
I'd never get over you

I ain't lying

Hey girl, I know you say I don't have to worry
But this time, I've got to know for sure
You're my girl
It's much better to be safe than sorry
Coz I'd never get over you
