Joey Tempest, Magnificent

this could be your favourite song if you let it maybe all the chords are wrong thats how we made it just go and do that thing you do so well go be magnificent dont let anyone talk you down you, you can do anything cause youve always been so magnificent be magnificent this could be your lucky day if you let it its not the words you throw away its how you say it just go and do that thing you do so well go be magnificent dont let anyone talk you down you, you can do anything cause youve always been so magnificent be magnificent magnificent be magnificent
